

BiG FAMiLY Treehouse Program is Calvary Open Bible's answer to helping families. Wednesdays is just a way for us to help out with the situation parents are facing with Covid-19 and schooling. We are not affiliated with any school district or receiving any funding. We are not bound by any IEP's that a child might have. We do not have the ability to take care of special needs children. We are a grass roots group of people that want to help out. All of the volunteers over the age of 18 have back ground checks.

The times for Tree House will be 8am to 4pm. We have scheduled daily devotions, learning time, reading and math time, lunch, physical activities, structured play time, free play, music and art time.

The cost is \$10 per child per day, this fee includes lunch and snacks.

Drop off is between 8 and 8:30 pick at 4pm.

If you need special arrangements for times during the day you can speak with Pastor Cindy

We hope and pray that this program helps families and enriches kid's lives.

Blessings,

Pastor Cindy

Covid-19

This is such a delicate subject
we want to handle it with dignity and honor.
We are going to create a judgment free zone
These are the steps that we are taking to protect
your children and our volunteers

- The upstairs rooms will be sanitized before meeting times.
- Adults and children will have their temperature taken.
- If someone has symptoms of sickness we ask that you stay home.
- We highly recommend that a mask be worn, yet we will not be policing this.
- We understand that there are many different situations and beliefs on mask wearing and we ask that everyone be patient and humble in this circumstance.
- Please feel free to speak to Pastor Cindy if you have any questions or concerns

You are **LOVED** ~ You are **WANTED** ~ You are **NEEDED** ~ You **BELONG** ~ Because of **JESUS!**
